

Sometimes, Even *HEROES* Need Help!

Police officers, firefighters and emergency medical personnel are the ones who respond when you call. Whatever the emergency, they are the ones you can count on to be there.

But sometimes, even our heroes need help.

On Nov. 5, you can help Shreveport's **first responders** by voting for funds that provide:

- * More police officers, firefighters and emergency medical technicians to keep you and your family safe.
- * Better equipment to protect you and emergency personnel.
- * Improved training to help our heroes protect you better.
- * Well deserved and long overdue pay increase for Shreveport first responders and their families.

AN IMPORTANT MESSAGE
from your Police Officers, Firefighters
and Emergency Medical Personnel:

**Keeping you safe
is our full-time job.**

While you sleep, work and play, we are always awake and thinking about you and your family.

Now, we need your help!

Shreveport police officers, firefighters and emergency medical technicians need additional resources to help us do our jobs better -- to keep you and your family safe.

You can help us on Election Day!

Go to the bottom of the election ballot and **VOTE YES** on City of Shreveport 1/4% S&U -- City Council. Those resources will go a long way to improve public safety and emergency response in our city.

Thank you for helping us keep Shreveport safe!

**Support Shreveport Police,
Firefighters and EMS.**

**Go to the bottom of the ballot,
and VOTE YES for public safety.**
